## MICREX-F F70 Series Notice of Change to Analog Module Board

We would like to thank you for your continued patronage of Fuji Programmable Controllers.

Please be informed that Fuji Electric Systems has decided to change the analog module PCB in the MICREX-F and F70 Series due to the discontinuation of parts. The specifications, functions, and prices remain the same as those of the current models.

### 1. Contents of Change

Item	Applicable model	Before change	After change
Part change	MICREX-F F70 Series  NC1AX04-MR		  Version: 0406
Part change	MICREX-F F70 Series  NC1AY02-MR		  Version: 0506

Item	Applicable model	Before change	After change
Part change	MICREX-F F70 Series  NC1AX02-PT		  Version: 0304

Reason for change: Substitution for discontinued parts  
To ensure the stable supply of parts by revising the PCB and using the newest parts.

**2. Notes Accompanying Change**

- (1) The change will be applied to products manufactured in and after January 2009.
- (2) The specifications, prices, and model numbers remain unchanged.
